

# INTRODUCTION TO STRATEGIC 24-7 PRAYER SATELLITE FOR WORLDWIDE REVIVAL

Praise the Lord my friends, we are now ready to engage in this divine call to intercession for the nations. This is a mighty task in the Kingdom, as nothing is so urgently needed than people who can buy their way into the heart of the Father for the nations.

I believe in all kinds and formalities of prayer. Nevertheless, I believe more in praying with information. For this reasons, I ask that as intercessors we should have a student's mindset to be willing to read and learn.

Throughout this prayer call, a lot of information will come your way. Please, be willing to take your time to read and digest the information.

## Rules of Engagement:

---

1. The first rule of this prayer chain is that you must be committed to the time you choose to pray. This is of high importance; hence, GIPS does not choose a time for you. I ask that the time you choose must be convenient to you and you must respond to that time as a top priority. It is of vital importance that you do not skip your prayer time. Skipping your prayer time puts the rest of the chain under jeopardy. If the watchman sleeps on the wall, the city is vulnerable and could be under enemy siege. Hence, if for any reason you wish to skip your prayer time because of an emergency, please email me to inform me, so I could make sure that that prayer time is covered by someone else.
2. You must be instance in prayer and study all the information necessary to enhance your intercessions. Once again, I emphasize that information is the key to a victorious prayer. You must be a student of the Word, read books, and listen to spiritual music that will keep you in the spirit of prayer. Thoroughly read every briefing from GIPS before you pray; because as we pray new prophetic insight is given and must be distributed to all our intercessors for further prayers.
3. Holiness must be your desire, and hallmark. Prayer and sin cannot abide together in the same heart. Either sin chokes prayer or prayer consumes sin. Choose one! However, be advised that holiness is not an over-night attainment; it is a lifetime achievement, so take your time to be holy. Do not think you are not qualified for this prayer call because you are not holy enough. Rather, be transformed by the renewing of your mind; be willing in the day of the Lord's power.
4. During the one hour session you will choose for your prayer time, please be advised that you are not allowed to pray any personal prayers for yourself or any other person or thing. Our spirit must be in agreement. To change prayer topics means to compromise our prayer strategy. That prayer time must specifically be used to pray for worldwide revival as directed in the outlines. Please, this is not intended to restrict your path in prayer, but it is done to concentrate our prayers on the same burden. So please, if you have any other prayer topics, pray them at a different appropriate time.

5. Your call to prayer is not a call to sympathy. Rather, this is a call to anguish. This is not **“hit-and-run”** prayer. Anguish is deeper than sympathy; Anguish is soul travail – an overwhelming prayer burden for perishing souls.
6. Watch! That is the assignment of an intercessor or a watch-person. During your chosen hour, you have been given the greatest honor on earth. At this hour you are the eyes that will keep back the siege of the enemy against the nation. So keep your eyes open, be vigilant in the spirit; stay upon your guard at all times.
7. Finally, God is upon the throne in Heaven, and you are on Earth. Therefore, be wise in your prayer; Prayer is a twofold street. When you speak, give God a chance to speak back. Open your ears to listen. Do not invade the conversation with your limited words, but be willing to hear God speak back to you. Understand reverence, and submission in prayer, it is the key to an open heaven prayer.
