

# GLOBAL IMPACT PRAYER SATELLITE

## 24-7 PRAYER CHAIN SPIRITUAL STRATEGY FOR WORLDWIDE REVIVAL

### STAGE 3 – APOSTOLIC INTERCESSION

### STAGE 4 – KINGDOM INTERCESSION

---

Dear friends:

I first of all apologize for the delay of this devotional. I acknowledge that it is long overdue. But very soon you will understand the reason why this delay tactic was necessary and part of the divine agenda. We have now entered the second half of this year; which is a prophetic season in God's global schema.

If you have been endeavoring to pray since the closing of June, you may be able to admit that you have not really been very effective in your prayer life, as you ought to be. This does not mean you are backsliding; rather we have entered a prophetic atmosphere, where there is a strong satanic resistance. There is a diabolical military operating in the spiritual sphere. Apostle Paul refers to these diabolical demons as "spirit forces of wickedness in the heavenly (supernatural) sphere." Their scriptural description denotes their wicked agenda and operations in realms beyond the physical atmosphere. The Prophet Isaiah also makes reference to their operations: "And he will swallow up on this mountain the covering that is cast over all peoples, the veil that is spread over all nations" [Isaiah 25:7]. These satanic "air force" have sabotaged the air fields of the world, by casting an iron curtain (veil) upon humankind. Hence, there is a satanic veil cast upon all nations, so that no prayer could permeate the atmospheric heaven.

In recognition of these wicked satanic air forces, the prince of preachers Charles Spurgeon stated, "the great serpent has coiled himself around the global, who shall set the world free of him?" These demonic despotisms have placed a resolute embargo upon the prayers of many.

The question therefore arises, why this season and why now?

The reason is divine. The Lord led me to prophesy on the Eve of December 2006 that the year 2007 up until June of 2008, will be a cleansing period for the organized church. I recognized that many prophesied the year 2007 to be the year of perfection and completion. However, the Lord said to me it will be the year when He will walk among His churches to remove the lamp-stand from those churches who have abandoned the love they once had for

Christ. The Lord then revealed to me that the heathen will rise to condemn the activities of the church and mock at the elect. Many exalted pulpits and altars shall be removed from their place and brought low. Now, looking back, I believe that all these events and many more as the Lord said to me have been fulfilled.

Furthermore, during that same period in 2006, the Lord revealed that the period from July 2008 till the indefinite end of 2009 will be the rising of many who have been in seclusion and isolation for the Kingdom sake. I call it a Season of Mobility. Many will be strengthened with the Spirit of the Lord to dive into the divine momentum that will saturate the atmosphere. Those who have not bowed their knees to Baal will be exalted to higher altars and pulpits to proclaim the Word of the Lord. In fact, the second half of this year begins the divine season for the church. It is the stirring up of revival and the released of the divine supernatural. You and I cannot afford to miss out in this season. That is why prayer is urgently needed in this season. Also, that is why your adversary the devil and his diabolical air force are more vigilant and determined this season.

This serious period in Church history calls for desperate prayers. I have found it very difficult to write down this devotional. In fact, this is the only devotional that has taken me almost two months now to complete; whilst I am used to writing devotionals in one day. However, the powers of darkness operating in the supernatural realms have withstood me for over a month now. I could now understand the Archangel Gabriel when he stated to Daniel: "But the [demonic] angel of the kingdom of Persia put himself against me for twenty-one days; but Michael, one of the chief angels, came to my help; and when I came he was still there with the [demonic] angel of the kings of Persia" (Daniel 10:13). This was recorded when Archangel Gabriel was restrained by the demonic air forces from delivering the divine message to Daniel.

This great occasion demands extraordinary prayers amidst extraordinary circumstances; desperate prayers amidst desperate conditions; and extreme prayers amidst extreme situations. My friends, you and I must wake up and pray this season. It is urgent and above all vital. We cannot afford rest in the season of the Lord. The Psalmist proclaimed, "Thy people shall be willing in the day of thy power" (Psalm 110:3). Peter toiled all night without catching any fish. Until the divine direction came forth: "cast your net into the deep" [Luke 5:1-11]. Friends, we have prayed enough shallow prayers, could we now cast our prayers into the deep? Deep calls unto deep, so let us dive into the depths of prayer. Let's quit playing and let's pray.

The kind of prayers demanded in this crucial moment is Apostolic Intercession and Kingdom Intercession. As we enter this third and fourth phase, I am convinced that we are to release the prophetic destiny of many nations during this warfare.

It takes certain level of understanding to penetrate certain atmospheres. Once again there is a satanic veil (curtain) covering the entire globe. And certain levels of prayers must be prayed effectively to break this demonic bondage. Apostle Paul charged us the other time, to pray with all kinds of prayers. Hence, we must move into an extreme dimension of praying.

## APOSTOLIC INTERCESSION

Apostolic Intercession deals with governmental jurisdiction over nations or territories. The word “apostolic” does not necessarily refer to the role or office of the “apostle”. However, it is a demonstration of the active power of the Holy Spirit upon a territory. The first century church was renowned for their apostolic intercession: “These that have turned the world upside down have come here too” (Acts 17:6). How did they turn their world upside down? It was through their unceasing corporate intercessions. By which they affected their cities with notable and undeniable signs and wonders. The apostolic movement of the church is a miraculous movement. The church of Jesus rest upon miracles, signs and wonders; without which, the gospel is another dead religion. To win territories for our Lord, our prayers must shake the foundations of nations. The Prophet Isaiah prayed sometime ago, “OH, THAT You would rend the heavens and that You would come down...to make Your name known to Your adversaries, **that the nations may tremble** at Your presence!” [Isaiah 64:1-2].

In Apostolic Intercession you are given an assignment or sphere you are to influence. You weep over your city like Jesus did over Jerusalem. It is an issue of the heart!

### YOUR ASSIGNMENT:

1. In this devotional you must adopt a nation, or a jurisdiction or territory that will be the focus of your prayer for the next two weeks until further notice.
2. Out of these two weeks period, make an effort to fast for three days. Allow the Holy Spirit to lead you as to how to fast and the duration of your fast between these 3 days.
3. Your prayer goal must be to have an effectual spiritual influence over this jurisdiction or nation that you chose. Pray fervently upon it; weep for this nation or jurisdiction, and pray until the burden has been released off you.
4. Pray against any diabolical thrones set upon your adopted nation or jurisdiction. Listen to Sermon entitled **Dethroning Diabolical Thrones** follow link:

5. Pray against any diabolical veil cast upon this nation or jurisdiction that is restraining the penetration of the gospel.
6. Pray for miracles, signs and wonders to take place in your adopted nation or jurisdiction.
7. Pray for qualified laborers to be sent into the harvest of your adopted nation or jurisdiction.

## KINGDOM INTERCESSION: RELEASING THE SUPERNATURAL

There is a kind of intercession that decodes and aborts all demonic programs and viruses diffused into the spiritual atmosphere. This kind of intercession stems from the throne room perspective. Since we are seated together with Christ Jesus upon the throne in Heaven, then it is possible to pray according to kingdom perspective. It is possible to pray from the throne room outlook of Heaven. This kind of prayer is effective because its origin is eternity. To

tap into the mindset of the Father in Heaven and to pray according to the heart of the father is Kingdom Intercession. It was the command of Jesus that we pray saying, “thy kingdom come...” In other words, that which is done in Heaven should invade that which is upon the earth. So therefore, the righteous culture and social conduct of Heaven should rain upon the earth and change the corrupt nature of earth.

If Satan has spread a curtain upon the entire world, then it is vital to pray “thy kingdom come...” Because this is the only kind of prayer that can demolish the iron curtain cast upon the entire world. Praying according to Kingdom Intercession means releasing the supernatural order of Heaven upon the earth. This strategic operation of intercession, gives the enemy no room to operate, because the divine nature of God in Heaven, has taken over the corrupt nature of earth.

## YOUR ASSIGNMENT:

2. Pray that “thy kingdom come” upon your adopted nation or jurisdiction.
3. Pray against that evil curtain cast upon the nations. Bind every demonic entity wrestling against your jurisdiction and loose the spiritual culture of heaven to come upon the earth.
4. Pray that “as it is in Heaven, let it be done” upon your adopted nation or jurisdiction.
5. Cry for the release of the spiritual destiny of your adopted nation or jurisdiction.
6. It is recorded, “these are those that turned the world upside down...” Pray that your adopted nation or jurisdiction will be impacted, transformed and turned upside down.
7. Earnestly pray for a Spiritual Revolution, Reformation, and Revival.

Friends, I thank you for spending the time to read this devotional. I pray that the Lord will give you understanding of the times we are in. Truly there is a momentum in the spiritual atmosphere and we must not linger in prayer. There has never been such a great time to kneel in prayer. You and I are privileged to be leaving in the greatest period of history to affect our generation for Christ. Be strong in the Lord and in the power of His might. Finally I say to you, “watch and pray” that you fall not into temptation.

*May the One whose origin is from Everlasting and whose dwelling is in Eternity stretch forth the scepter of favor and royal access upon your life as you intercede for the nations. I release the Spirit of sound mind and endurance upon your life this day. Be bold in the Lord, and prevail against your adversary. The victory is yours in Jesus name. Amen.*
