STRATEGIA 2008

CODE NAME: OPERATION EPAPHRAS

Duration: 120 Days

Begins: April 19th 2008 Passover Seder (Sundown)

Ends: August 28th 2008

The New Wave

Friends, I greet you in the name of our Lord Jesus Christ, the Majestic King upon the high throne. Grace, mercy, and peace to you from God our Father and Christ Jesus our Lord. I thank God whom I serve with all my heart, body, soul and spirit, with a clear conscious, who has giving me this high privilege to be connected with you in this great strategic prayer revolution for such a time as this.

If you are reading this, it means you have committed yourself to partake in a strategic prayer movement for world-wide awakening and church revival; it means you are tired of church norms and formalities; it means you demand a change in our present circumstance, that only the supernatural ability of Elohim can transmit; it means just like many others in this prayer gathering, you are yearning for an uncommon move of the Holy Spirit in our time; such as will shift the world from center to circumference. Joining this prayer revolution shows you are determined to see change money cannot afford; you are yearning for a spiritual revolution that church programs, organizing and advertisement cannot bring about.

It is easy for one with financial means to afford massive church crusades, evangelistic efforts, and advertisements to fill a church auditorium. Nevertheless, it is never easy to find heart-broken men and women on their knees weeping for a perishing world. To find a people who are not engaged in selfish acts of prayers, but in soul-travail for the nations is the greatest demand of our times. Thus, I thank God for your life, for choosing to move in the direction of the New Wave of the Holy Spirit.

Friends, when I speak of the New Wave of the Holy Spirit I am speaking of another world-wide awakening and revival. I speak of the move of God that suddenly took possession of the Upper Room prayer meeting uninvited; I speak of the reformation revival under Martin Luther, a man that stood against the dead formality of religion in his time, and triggered the protestant movement of the church; I speak of the first worldwide revival that took place under David Brainerd, Jonathan Edwards, the Wesley movements. O friends, I speak of when the Fire fell in America in 1857 (Great Awakening), and the entire nation literally went down on its knees; I speak of when the Fire fell upon Ireland in 1858 when four young men went down on their knees to bombard the Heavens with unceasing cries of shameful and desperate prayers; and again, I speak of when the Fire fell in Wales in 1904, as Evan Roberts shocked the world with another release of the Supernatural. Sports activities, court houses and jail houses, had to quit all activities to go down on their knees. Oh that God will send such a move to us as well.

Pardon me friends, if I should continue to speak of another move such as the 1906 Azusa Revival in America that left the entire world to cry aloud, "...the Lord, He is God...the Lord, He is God..." Is it possible to have such a move of the Spirit among us today?

How I hope that I could continue to call back your memories, to the revivals in Lewis, where men and women on the streets, wept bitterly for their sins without a pastor or a church program organized. Can we forget the revivals in China under Hudson Taylor, the revival in India under John Praying Hyde, and the great revivals in Africa and South America that brought the world to acknowledge that God is not bias; what He did for another people He can do for others.

O that we had such men and women among us today to weep for such a move again. How I pray that we could cast aside our church programs, and Sunday suits and put on sack-clothes and ashes upon our heads and plead with God. "Remember Lord, our reproach, see what has come over us, your church, and raise up men and

women willing to commit to the covenant engagement for revival.” I pray my friends that as you have joined this prayer revolution, this should be your expectations.

Friends, I know of no other means to obtain such a revival, but to go back and do what our fathers did that pleased the Lord so much that He granted their pleas. This is a call for old time revival praying, knees bowed, holy hands lifted, eyes overflowing with tears, and hearts burdened for a perishing world.

Are you prepared for such a revolution? Then enter with me today into the prayer closet. I have such a great conviction in my heart that we stand at the greatest point of history. The heavens are heavy, we are engulfed by dark clouds, there is a sound of abundance of rain, yet we have no Elijah to stay upon his knees until the plea is granted, until there is a birthing of the promise.

I pray that this day you will become an Elijah bowed on your own Mt. Camel, praying with all the energies and strategies of prayer until the Heavens are broken, and the Lord steps down among us.

The Code Name for this prayer revolution is Operation Epaphras meaning “One of you is praying for us” as taken from Colossians 4:12. I thank the Lord Jesus who is the Great Intercessor that you have likewise chosen to be an Epaphras in an age where prayer has become a forsaken activity in the church. The Global Impact Prayer Satellite will prayerfully begin revolving around the world as highlighted in this edition of our Strategia 2008.

Yours from the Prayer Closet,
Cephas [GIPS Director]

Strategia 2008

The word “strategia” is a greek word meaning, “military strategy.” This word is employed to emphasize our tactic for this prayer revolution; it is a military warfare; thus, get geared up, put on the whole Armor of God.

The prayer revolution commences on the Passover (sundown) on April 19th 2008. This is a prophetic date, and it is strategically relevant for our prayer. The Passover is a military date of God’s conquest over Egypt and an end to an ungodly siege over the people of God. It is the birth of the people of God, the introduction of the Lamb for our deliverance and the redemption of humanity. Hence, we are commencing our prayer on this date to invoke the dominion of God and His reign over the ungodly siege of the enemy over our present world.

Outline of Strategy:

1. Spiritual Mapping
2. Prophetic Intercession
3. Dominion Intercession
4. Apostolic intercession
5. Kingdom Intercession – Release of the Supernatural

A strategy for 120 days of 24-7 prayer chain is underway. This prayer tactics involves a Spiritual Mapping that takes place from April 19th to the end of the month of April. Please carefully note it.

In the month of May, we will begin the Prophetic Intercession for the nations using the data obtained from our spiritual mapping and our prophetic prayer tower team.

In the Month of June, we will employ the tactic of Dominion Intercession, to unleash the Supernatural upon the nations and stir up the atmosphere for a reviving.

In the Month of July, we will initiate the authority of Apostolic Intercession in our prayer, to open doors to the gospels in all nations around the word. By apostolic decrees we will break new grounds in places where the gospel is not allowed.

In the month of August we will seal our prayers with Kingdom Intercession by invoking the kingdom perspective of Heaven upon the earth as instructed by Jesus in Luke 11.

*Please, note that this time-table for prayer does not depict God’s time-table for revival or global awakening. However, our task is to be divinely positioned for the working of the Spirit. This prayer may last for more than 120 days if the Holy Spirit should allow it. I pray that it endures until the Lord opens the Heavens and pour forth His Spirit upon us.
